## An Address Book to Celebrate the

### 10<sup>th</sup> Anniversary of Fernlea House

In 2011 Fernlea House is celebrating its very first decade of living, loving and laughing.

Providing day respite for carers of people with a life-limiting illness, Fernlea House Inc. operates with core funding from the Commonwealth Government National Respite for Carers Program. It also relies on funds raised through grants, charitable contributions, donations and the loving work of volunteers to maintain its range and quality of programs and services.

To promote the work of Fernlea House, and as a fund-raising venture, a very special address book is being developed. It will include the history of Fernlea and faces of the people who have been part of the first ten years of Fernlea's journey.

**Living, Laughing, Loving - an alphabetical address book of 140 pages  
It will retail for \$35.00 each and (pending funding) will be ready for Christmas 2011**
