

# Kellie Alford

*DIRECTOR*

Kellie has a degree in Business Management, and is an accomplished senior human resources manager, which includes having lead teams through change and business transformation projects. She has significant experience across both strategic and operational areas, including industrial relations, workforce planning and recruitment, employee relations, OHS, corporate governance, training, project management, diversity and change management. Kellie's passion and strengths are in shaping human resources to drive business change and growth.

Kellie joined the Fernlea Board in 2015, because she is passionate about community services, especially in her local hills area.

She believes her passion for and experience in human resources can help support Fernlea to become more operationally and financially robust. Kellie held the position of Secretary from 2016-2017, and also supports Fernlea's Fundraising Committee.
