

Daniyela Rob

DIRECTOR

Daniyela is a Registered Nurse with a long career in the Aged Care sector. Her experience spans across both operational and quality portfolios where she has held senior and executive level roles. An outside the box thinker and natural problem solver, Daniyela has been involved in driving person centred approaches, the development and implementation of strategic initiatives as well as commissioning new sites and projects.

Daniyela is a hills local whose interest in joining the Fernlea Board comes from a passion to support people live a meaningful and purposeful life in their own homes and local community for as long as possible.
