

Darrell Bennetts

DIRECTOR

Dedicated to education, Darrell Bennetts has worked within universities, TAFEs and government departments for twenty years. Raised in New Zealand and settling in Melbourne in the noughties, Darrell and his family today live between the local hills and Pakenham. A Senior Analyst in the Government sector, Darrell today develops specialised education programs for disadvantaged students. His experience spans strategic partnerships with Aboriginal community organisations, Not-for-profit community organisations, Universities and Tier one construction corporations. He has consistent focus on value for money and also on ensuring good design has the client at its centre.

Darrell joined the Fernlea Board in 2024 given his dedication to the Pakenham and local hills communities. He believes it is vital that local families can access quality respite support when the need arises.
