TREASURER

Fernlea is an independent, community-based organisation governed by a voluntary Board.

The Board plays a key role in setting the strategic direction and organisational business structure to reduce risk and enhance the growth of Fernlea's services.

The Board meets monthly and welcomes new members who wish to share their skills and to be involved in their local community.

The main duties of a treasurer are to oversee the financial administration of the organisation, review procedures and financial reporting, advise the board on financial strategies in the areas of future business within the aged care sector.
